"once again a fantastic job of recording Alpha events"

"Thanks mucho, Bro. Bill. Luv your pics and memories."

"I am sorry I cannot attend the reunion this year. Last year was so much fun and I had hoped to attend, but alas I cannot. Alpha continues to be that beacon for men to aspire to and follow. At this time in our country, there is an especial need for the kind of leadership that we can and must provide to young men of color. My prayers are with you for a successful event. Onward and upward to the light!!!!!!!!!!!!!!"

I want to thank you for the meeting today. You and Al did an outstanding Alpha job. Again thanks and take care.

Grace and Peace,

Brother Bill,

I'm sure you have received several compliments on yesterday's program and I will add my voice to that chorus. You and your team really stepped it up and it came together perfectly. I watched the recording you created on how everything was supposed to sequence which was very helpful, but the real show was even better. Your energy and positive leadership always set the bar for this reunion and it's a date everyone circles on their calendar to attend each year. Thank so much for the work you put in and letting me be a part of the celebration.

Last year Delta Pi tried to celebrate our 70th anniversary but the pandemic postponed our event. We are planning on finally celebrating this year on October 14th and there are tickets available if anyone is interested.

Thanks again,

Bill,

Kudos to you and your committee on the virtual Reunion of this past Sunday.

It was good to see and hear everybody - after 3 years.  
A GREAT JOB!!!!

Another great and meaningful celebration, Bill! Congratulations, thanks and bless you for your leadership!

GREAT!!! Thanks so much for giving me such an honored position. You call and it will always yes.-'06

Thank you Brother Bailey

My thanks as well Bill! When I saw your email, I initially thought that this would be too difficult to do. But after watching your video, I was up and running with the file mounted on my MacBook Air...it was pretty easy. And that website is awesome. Thanks so much for sharing. Maybe I will put a copy on a flash drive and store it somewhere for my granddaughter to see in the future.

So, this is my "Like" for your instructional video. Now, in terms of "sending lots of money" as you've instructed in the video...will you settle for a dinner out at a restaurant after the pandemic passes? Lol

Thank you sir for a very nice program. GOD BLESS

Bill, this was probably the most heartfelt Reunion yet. Recognizing the 50s (Marriages and Alphaversaries) was special. Afternoon was also a good choice. The pix and videos look great. Nice job, Billy B. Alan
